Pastor Fox argues in this book that there is NO OTHER SOLUTION to the economic and security issues of America than what this book prescribes: deep repentance before God by American Christians for America's current sins which are rooted mainly in the Jamestown Colony founded in 1607. America's finances and national security are at great risk because the only Person who can really protect both is now disciplining America for its many sins--- as He did to His beloved Israel in the Old Testament. There is a way back to God's full blessing and protection. This book shows us how by describing the roots of America's sins and how the American Church can biblically repent for those sins. The author writes in his Foreword: We all also know that the bottom fell out of the US stock market in the Fall of 2008. America has not recovered from that and it will not until God sees sufficient repentance by His people for their sins and the sins of the nation. In a word, God is behind America's current economic...
