Discover just who is the real savage at the veterinary office in P Jayne Stone s Doctor (do very!) Little: The Vet Your Pet Will Regret, the woeful animal s tale of one veterinarian who will stop at nothing to turn a profit, even if it endangers the welfare of those he pretends to care for. Inspired by the actual experience of the author, this riveting and chilling cautionary story peers behind the medical screen to reveal the craven practices of one vile vet. Dr. Little is the first to fawn over every creature brought in for treatment. However, once the patient s owners are out of sight, the antics are nothing short of criminal, and often downright insane. From taking X-rays of a dead cat to performing invasive, unnecessary surgeries, Dr. Little will go to any length to pad a bill. What s more, it appears he may even be practicing his unscrupulous medicine on a staff technician to keep her from speaking out against him. Can Jayne stop the insanity in time to save a few doomed pets, or will Dr. Little continue his unchecked assault on the animal kingdom?.
