First and foremost, Acupuncture is a well-known alternative to mainstream medicine that originated from China. It is a branch of traditional Chinese medicine that dates back thousands of years, and is a widely accepted alternative form of medicine in the Western healthcare industry. Today, it is so widely used that over 14 Million Americans claimed to have used or have been treated with Acupuncture every year! It is used to treat different specific ailments such as chronic back ache and headaches, osteoarthritis, postoperative pain and vomiting, allergies, cancer-related conditions, stroke, and even infertility. It is a common substitute for patients that are looking for less aggressive types of treatment, but is not recommended to be used as the primary treatment in any kind of illness. Are you sick...
