

Anna Christie (Paperback)

By Eugene Gladstone O Neill

Dover Publications Inc., United States, 2016. Paperback.
 Condition: New. Language: English . Brand New Book. Early in his career, Eugene O Neill (1888 1953) wrote a series of plays revolving around characters obsessed with the sea. This period culminated in the 1922 production of Anna Christie, a Pulitzer Prize winning drama of social realism that was among the first of the author s plays to explore characters searching for their own identities. Centering on the reunion of a barge captain and his daughter after a twenty-year separation, the play derives its tension from the former s disaffection for the seafaring life and the latter s love for a sailor. The father-daughter conflict elicits a shocking confession, which illuminates the author s contention that character is fate and the seemingly external forces controlling destiny actually lie within. Anna Christie amply displays O Neill s extraordinary insights into character and his masterly use of language, qualities that have earned him acclaim as one of America s greatest playwrights. Students and lovers of modern theater will prize this inexpensive edition of his landmark drama.
