BLINDSIDED II

Tolman Farrah Geffs
 Author of **THE UNSUNG PATRIOTS**
 (revised November 2012)

Sometimes the most telling event is something that **has not occurred**. For more than a decade suicide bombings by fanatic Muslims in the Middle East have become daily events. Yet there has not been a single report of martyrdom by a religious or political leader in any of those nations. Obviously, the guys running the show **are in no great rush to meet Allah!**

Pakistan already possesses nuclear weapons and Iran will soon possess a nuclear arsenal. But despite their rhetoric, they face a dilemma: The United States has a large arsenal of hydrogen-bomb-armed ICBMs and submarine-launched Intermediate Range Ballistic Missiles. If our adversaries, as they have loudly promised, use their nuclear devices in an attempt to wipe Israel off the map, they will in turn be vaporized by our far superior arsenal. Our armed services are staffed with exceptionally patriotic Americans.

Therefore, before our adversaries can pursue their goal, they must find a way to neutralize the USA and get away with it. Tragically, this is feasible. We have six
