Experience a new reality through wondrous visions of the Enochian angels Enochian magick, a system of angelic evocation, is one of the oldest forms of ceremonial magick in the Western world, and perhaps the single most powerful magical system in all occultism. It was developed by the Elizabethan magician Dr. John Dee who, with the assistance of his seer, Edward Kelly, channeled an angelic language and alphabet that is remarkably effective in opening up the mind to currents of intelligence far beyond the human norm. Whether you are a beginner on your path of study or already an advanced magician, there is something for you in Enochian Initiation. Author Frater W.I.T. shares his own experiences and deeply personal visions, expanding upon and broadening the path toward understanding forged by John Dee, Aleister Crowley, and other great magicians who have come before. By bringing this practice into the modern era, Frater W.I.T. shows how human consciousness can be expanded and examined more closely than with simple meditation, psychoanalysis, or even mind-altering drugs. For those of you who might have hesitated to study Enochian magick because you do not share the same beliefs or convictions of the deeply religious Elizabethans, rest assured that it is possible to achieve the same wondrous results within a neutral spiritual context. Frater W.I.T. has developed a nonreligious spirituality in his conjurations while still using Hebrew and Enochian divine names. Through this book, you too will learn how to develop new techniques and ideas to shape your own magical style and method. An initiate of both the Masonic and Rosicrucian schools of mystery, Frater W.I.T. has spent more than twenty years studying western occult traditions. The purpose of his...
