Manga animations could possibly form the greater part of animation heroes and stories given chance. Their sheer imagination and variety of characters is in itself mind-boggling. With so many possibilities, there rarely is a limit to what you can draw and call it a manga character. You could choose to draw a disfigured dragon, or you could opt to use straight cut lines to draw the masculine face. Whatever approach you take, you will always have some room to flex your muscle and skill.
