

Rad Dad

By Tomas Moniz

Microcosm Publishing, United States, 2011. Pamphlet.
 Condition: New. Language: English . Brand New Book. Hot on the heels of Rad Dad 19, we're excited to announce the release of issue 20! This issue features articles about special needs children, traditional Japanese grandparents, queer male allies, and an interview with Brian Heagney--the author, illustrator, and publisher of the kid's book, *The ABCs of Anarchism*. Some of this issue is learning lessons from your children--or even them teaching you lessons--and as always, Rad Dad is a forum and a source of hope that parents and children can one day be welcomed in radical spaces. This is important reading--vital stuff for parents and nonparents alike.

A very awesome book with perfect and lucid reasons. It really is basic but shocking within the 50 percent of the book. It's been designed in an exceptionally easy way and is particularly merely right after I finished reading this ebook where in fact changed me, change the way I think.
