Elena Gabor, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Home at the Tree of Life is a groundbreaking book that sheds light on the mysteries of consciousness, life and death, and the underlying causes of many physical and mental conditions. It presents four people's extraordinary journeys of self-discovery and healing from severe disorders (depression, suicidal thoughts, anxiety, insomnia) attained without prescription medication. Dr. Gabor's pioneering techniques for exploring the subconscious and superconscious levels of the mind helped her clients open new and unexpected doors into the fascinating realms of past lives and the afterlife, and to gain access to the universe where all souls are originated from (referred to as Home in this book) and to the Source of Life. In this book you will find answers to questions such as: -Who are we? -Why don't we remember where we came from? -What is our purpose on Earth? -What are diseases and how can we heal ourselves? -Why is there suffering on Earth? -What happens during sleep? -Where do we go after the physical death, what does that universe look like and what do we do there? -What is the difference between soul and spirit? -Who are Spiritual Guides and what is their purpose? -Who or what is The Source or God and how can we access God? -Where does the increased number of souls come from? -What is the future of our planet? This is a brilliant book. Not only is it a therapeutic work that is infinitely helpful in showing you how to heal and remove significant life obstacles, but it is also a book of cosmic wisdom, the proportions of which give you answers to the most important issues of human existence. -Marilyn Gordon, B.C.Ht and author...
