Brand New Book ***** Print on Demand *****.Presidents come and go but the conspirators working quietly behind the scenes in each Administration often remain. Thousands of job slots are filled with each change of Presidents. With whom these openings are staffed largely determines whether or not the Administration follows or thwarts a President's objectives. A sizable number of positions in every Administration since Roosevelt -- within State, Treasury, Agriculture, the CIA, etc. -- have either been filled with outright Communists, suspected Communists or Communist sympathizers! Senator William Jenner's 1953 Senate Internal Security Subcommittee Report revealed how Russian espionage agents penetrated the government many years ago. Soviet spies were able to obtain jobs all the way up to and including critical policy making positions! Once secure in a department each Communist helped other conspirators find employment. They placed and promoted their Comrades and helped each other avoid exposure! Nothing has been done to date with any measurable degree of success to rid the government of these dangerous Moscow hirelings. Senator Joseph R. McCarthy came too close for comfort! He was ruthlessly destroyed before his thankless task could be finished. Congressional hearings have come and gone! A very few traitors have been exposed! But little has been done to force the executive branch to take appropriate action. A great number of serious security risks who began their shadowy careers in government under one President, can be traced through succeeding Administrations, whether Democrat or Republican! Many important subversives stay behind the scenes, to do the bidding of their Kremlin masters. They avoid controversy, work quietly in the background, and shun the media. They are often known only to intelligence agencies. Many names would not be at all familiar to the average...
