Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Two Years Before the Mast is a remarkable book, part travelogue and part seafaring adventure. A great look at what life was really like on the merchant sailing ships of the first half of the 19th century, Two Years Before the Mast is also part suspense yarn, with the hero's return to his native land in serious doubt due to events beyond his control. Seen through the eyes of young man in his late teens who looks for both a cure for his measles and some real thrills, Richard Henry Dana treats us to his view of the west coast and the Californians as compared to his native, very urban and developed Yankee city of Boston. He finds them very different - but when he first visits San Francisco, the city is a single shack! This book was the guide for the many Americans who headed west for gold 15 years after its publication, too. As such it helped shape their settlement and exploration of the land. Dana's time aboard ship differs hugely from his comfortable home life in Boston. That he was willing to accept this, even embrace it, moves the book from a dry history to a real-life human interest story. His description of the sailing ships of the day involves many terms which few now will understand. Beyond that, the excitement of Two Years Before the Mast makes it a must-read for anyone in search of a young man's quest for real-life thrills at sea and in a new country.
