

Distant: Finding Love Isn't Easy But Holding Onto It Once Found Is the Hardest Thing of All. (Paperback)

By MJ Blake

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English. Brand New Book ***** Print on Demand *****. Betrayal hurts like a knife pushed into your back when you weren't looking. Rowan thought she had finally found all that she had been seeking in Dex. It hurt her to learn that what she thought was her happily ever after was in fact not. Rowan begins a journey of self discovery when she finds herself falling in love for the very first time. The feelings elicited in her are beyond anything she has ever felt for another person and that included Dex. Would she allow her heart to lead her or would her mind object? Falling in love is not just about making your life special; it is about making each other's life special with love. Falling in love is not just about holding hands and walking on the beach but about giving each other the feeling of being in an inseparable bond.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and I am certain that I am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- Mr. Grant Stanton PhD

A whole new eBook with an all new standpoint. It is actually really fascinating through reading through time period. You won't truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
