Directed not only toward actors, dancers, and other performing artists who draw upon improvisation as part of their craft, this Zen-infused memoir of a life lived creatively will pique the interest of anyone in search of liberation from self-limiting concepts. Do we wonder whether we re capable of improvising--to make up things as we go, step into the unknown, take a risk that changes our notion of ourselves and the world? Author Ruth Zaporah has been a professional physical theater performer, writer, director, and teacher for forty years. Improvisation on the Edge recounts events from Zaporah s life such as improvisational shows in the war zones of Sarajevo and Kosovo; apprenticing with a Huichol medicine woman from Chiapas, Mexico; understanding the concept of practice while on a beach; a bus ride in Cuba; a car ride in Estonia; the intricacies of onstage collaborations. Interspersed are chapters about awareness, listening, adapting, resiliency, time, space, silence, simplicity--all within the context of everyday life in...
