Tuttle Publishing, United States, 2011. Mixed media product. Condition: New. Language: English . Brand New Book. The only book of its kind in English, Japanese for Healthcare Professionals is a proficiency-based conversation textbook offering a complete Japanese language course that teaches Japanese grammar along with the vocabulary of medical care. With nearly three million Japanese tourists visiting the United States last year, and another five hundred thousand expatriates residing in the US and other English-speaking countries, it is inevitable that many Japanese speakers find themselves in need of healthcare but unable to communicate. Important highlights of this book are: Accompanying MP3 Audio Disc. No prior knowledge of Japanese necessary. For all professionals seeking to communicate in healthcare situations. Includes an English-Japanese dictionary of medical terms, a glossary of common complaints, and a sample bilingual medical questionnaire. Japanese for Healthcare Professionals offers a complete language course for classroom study or independent learners that teaches Japanese grammar along with the Japanese medical vocabulary. The chapters cover every step of a patient's interaction with care providers, from appointments and admissions to the physical examination, symptoms and illnesses, diagnosis, treatment, instructions to the patient, discharge, and follow-up. Chapters are devoted to the major branches of medicine as well as dentistry and to the corresponding bodily systems. There are also chapters on anatomy, infection and disease, and visits to the pharmacy. Each chapter follows a natural progression designed to help the learner comprehend the new material and acquire the language as effortlessly as possible. Each includes: basic Japanese vocabulary, a situational dialogue, Japanese grammar points and key Japanese language and culture notes, exercises and practice drills, and a quiz to sharpen comprehension. The culture and language notes seek to help the provider understand better a Japanese patient's cultural framework and patterns of belief, as well...
