Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Little, Brown Book Group, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Alice and her husband, Jake, own a barbecue restaurant in Austin, Texas. Hardworking and popular in their community, they have a loving marriage and thriving business, but Alice still feels that something is missing, lying just beyond reach. Carla is a strong-willed young girl who s had to grow up fast, acting as caretaker to her six-year-old brother Junior. Years ago, her mother left the family behind in Honduras to make the arduous, illegal journey to Texas. But when Carla s grandmother dies and violence in the city escalates, Carla takes fate into her own hands-and with Junior, she joins the thousands of children making their way across Mexico to America, facing great peril for the chance at a better life. Poignant and arresting, The Same Sky is about motherhood, resilience, and faith - the story of two very different families on both sides of the American border.
