William and Keats Publishing, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When Hannah Sawyer dropped out of college after losing her scholarship she spent five years weaning herself of alpha males and alcohol, but when she decides to return to finish her degree she finds those things rolled into one in the intoxicating blue eyes of fellow non-traditional student Daniel Keith. As romance lures Hannah further into a shadowy world most people never see, she realizes she's gotten herself in deeper than she knew possible. And this time there's no option of dropping out.
