DSP Publications, United States, 2015. Paperback. Condition: New. 2nd. Language: English . Brand New Book ***** Print on Demand *****.Second Edition LA Private Detectives: Book One Kirk MacGregor loves to win--whether through his critically-acclaimed oil paintings or on the job as the resident detective of his father's prestigious law firm. In the most perplexing investigation of his career, MacGregor searches for the truth behind the death of rock star Brent Hunter. But a phone call convinces Austin Hunter that his brother is alive and safe in a wilderness hideout. Or is it all an elaborate, deadly confidence game? MacGregor's investigation takes him down a twisting trail of dead-end leads, lethal lies, and a string of homicides. Sparks crackle as Kirk and Austin take a wild ride into the underbelly of the City of Angels, where nothing ever seems too strange or horrendous. As the death count rises, MacGregor is running out of time in finding a cunning contract killer and the person who hired him. Kirk MacGregor seldom loses. But there are dangers--and costs--in flying too close to the sun. First edition published as Errors and Omissions by Dreamspinner Press, 2012.
