

Reflections On The Justice Of Roosting Chickens: Consequences of American Conquest and Carnage (Paperback)

By Ward Churchill

AK Press, United Kingdom, 2004. Paperback. Condition: New. Annotated edition. Language: English . Brand New Book. The United States has long been considered a deadly foe by the inhabitants of its ever-expanding spheres of influence. In *Reflections on the Justice of Roosting Chickens*, Churchill examines the toll U.S. policies have taken on civilians around the world and the role activists are (or aren't) playing to stop the carnage. The Western world was stunned to wake up on 9-11 to find that the Third World had pushed back. By ignoring the suffering and loss of life of their victims while grieving over our own, Americans have made themselves complicit in their government's global slaughter. In a heartwrenching recount, Churchill reminds us of the untold millions who have perished as a result of U.S. military intervention (in either a physical, diplomatic or economic sense) in Iraq, Cambodia, Palestine, East Timor, the Americas . . . and the list goes on. To further illustrate his point, included are annotated chronologies of U.S. military actions from 1776 to the present and a compilation of International Laws either broken or ignored by the United States. Comprehensive, yet remaining concise, this book cannot be overlooked...

Reviews

Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.
-- Alta Kirlin

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
