

## Hard Truths: 18 Rock-Solid Lessons for Leaders (Paperback)

By Michael Tomlin

ELEVATE, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The best leaders do not emerge from business school with the influence, wisdom, and preparation required to lead people to success. Great leadership is built through experience. Many learn their skills through their own trial and error, while the best smooth the learning curve by learning from others. Written for the latter group, Michael Tomlin's latest book, Hard Truths, is a synthesis of his 40+ years of leadership experience, a guide to the realities of leadership that cause even the best to stumble or rise to their potential. Tomlin tackles topics such as intentionality and delegation, how your image affects your ability to lead, the vital nature of a good cultural fit, and aligning messaging and motivation with your mission. A powerful handbook for those seeking to enhance their leadership abilities, Hard Truths is rich with time-tried wisdom, a voice of reality for new and veteran leaders alike.
