Judy M. Davis, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.FROM HIDDEN THREADS TO LIVING WATERS weaves a true tale of struggle and survival across two continents. Balancing accurate historical referencing with new genealogical discoveries, Judy Davis exposes the abuses her Huguenot ancestors endured and the relief King William s land grants brought allowing them to settle in Virginia. This book uncovers the author s unique ancestral connections back through 11 generations to Edward III of England and to Pocahontas. Binding the past with the present, Judy Davis masterfully weaves this historical account around her numerous mission trips abroad and brings a delightful account that connects her mission work with history and the supernatural. Hidden Threads shows how blind faith and self-sacrifice can lead to startling discoveries about one s own purpose that can become life-giving waters for others.
