Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. After untold millennia, Enkidu awakes from his stone prison. Nanaia, a beautiful priestess with golden hair is the first thing he sees upon awakening. She gives him his purpose and reveals his curse: to be an eternal guardian for those of the royal blood. She baptizes him Farvardin. Farvardin, who was Enkidu who was once something more ancient and terrible, rails at his fate, and longs for the life he once had, the friendship of a great king and the love of his wife. But it doesn't take him long to realize how much he now wants to stay alive. He immerses himself into the political intrigues of a Babylon ruled by a young but wildly successful Macedonian conqueror named Alexander, the man he is charged to protect. His failure to keep the great king of this age alive will cost him more than just his life. The curse of the immortal guardian guarantees it. The Immortal Guardian series of short stories by Sharon Kae Reamer follows an ancient guardian spirit through time from ancient Egypt (coming soon) up to present-day Cologne, Germany.
