Explore the 20th Century with HIS Story of the 20th Century. At the beginning of the twentieth century, men were still getting around on horses, excited about new inventions like the telegraph, telephone, sewing machine, and light bulb. The Panama Canal was built. The North and South Poles were explored, and it was easier to travel than ever before. And can you believe it? The Wright brothers invented the airplane. By the end of the twentieth century, men would walk on the moon, travel at the speed of sound, use compact home computers, and enjoy...
