Dr Crippen (Hardback)

By Katherine Watson

Bloomsbury Publishing PLC, United Kingdom, 2008. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Dr Crippen's murder of his wife Cora has stuck in the public imagination for many reasons: the harmless demeanour of this cold-blooded poisoner; the flamboyant victim; and, the dismembered body in the cellar at the infamous 39 Hilldrop Crescent - and not forgetting a dramatic police chase which caught Crippen and his mistress Ethel le Neve halfway across the Atlantic. The story has all the best ingredients: sex and love, secrets and lies, but it is the detail from the documents that fascinates, such as Crippen's account of marital bickering that preceded his wife's disappearance, and the daily media accounts of the police net closing on the fleeing couple. This bloody history combines a gripping narrative with facts from witness statements, police reports, and the chilling words of a killer claiming So far as I know she is still alive .

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.

-- Andres Bashirian

Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.
