

Crime Scene Management and Evidence Recovery (Paperback)

By Deborah Beaufort-Moore

Oxford University Press, United Kingdom, 2015. Paperback.

Condition: New. 2nd Revised edition. Language: English . Brand New Book. Crime Scene Management and Evidence Recovery is a must-have for first responders and crime scene investigators alike. Featuring step-by-step guidance on the techniques involved in crime scene management and evidence recovery, alongside hands-on advice and aide-memoirs from crime scene investigators, the second edition also includes clear scientific explanations and everyday examples for the non-specialist to recognise the importance difference that first responders can make. Whilst crime scene investigators are trained to undertake more detailed forensic examination, the actions of first responders can have a fundamental impact on the success of an examination. By increasing the awareness of forensic aspects of a crime scene investigation, this book ensures that crime scene officers are better equipped to make informed decisions about protecting and preserving scenes and recovering items for evidence. It also helps all police and forensic professionals to develop their understanding of the various analysis techniques available, as well as the pitfalls to avoid. The fifteen chapters offer structured advice on the techniques involved in the preservation, recovery, packaging, and storage of different evidential types such as fingerprints, DNA, glass, footwear, paint, and...
