

Learning and Teaching in the Early Years (Paperback)

By Jane Page, Collette Tayler

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Learning and Teaching in the Early Years provides a comprehensive, contemporary and practical introduction to early childhood teaching in Australia. A strong focus on the links between theory, policy and practice firmly aligns this text with the Early Years Learning Framework. Written for students of early childhood programs, this book covers learning and development, as well as professional practice in teaching children from birth to eight years. In recognition of the evolving role of educators, topic areas include learning, teaching, working with families, leading, advocating and researching. Each chapter contains learning objectives, key terms and reflection points. Detailed case studies document the intersection between research, policy and practice, enhancing pre-service and practicing educators appreciation of how a policy-aligned approach reinforces learning and development in the early years. This text draws on the latest research to present children's learning as a dynamic and active process requiring specific, intentional teaching behaviours.
