It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Abandoned Ladder. Paperback. Condition: New. 192 pages. Dimensions: 8.4in. x 5.5in. x 0.6in. For many western spiritual seekers, Sufism is often misunderstood and viewed as an Islamic mystical tradition presented through various Sufi orders. Yet this ancient path of spiritual knowing is much broader and older, available through all religions and independent of Islam and these orders. Aldous Huxley and others have referred to this ancient mystical path as the primordial tradition or perennial philosophy. This teaching can be characterized as a generic mysticism or spirituality, available to everyone, all of the time. Once awakened, this spiritual knowing comes forward through one's own inner awareness or heart. This book is a first-hand account of spiritual knowing in two modern Sufi mystical schools. This message is intended for western spiritual travelers; this learning was not attached to Islam or presented through any of the present orders and was designed to appeal to everyone, regardless of their religious background. Additionally, this work examines spiritual knowing across a lifetime, incorporating experiences of both schools, along with traditional Sufi quotes. We offer examples of how such learning can enrich and help us with the daily problems of modern life.
