Liguori Publications, 2017. Loose-leaf. Condition: New. Language: English . Brand New Book. Journey of Faith for Children introduces children to the Catholic faith in a way that's easy for them to understand, using an engaging pastoral approach. Based on the ever-popular and long-running adult Christian initiation program from Liguori Publications, Journey of Faith for Children addresses relevant life issues, faith topics, and questions in a catechetical approach to RCIA. Journey of Faith for Children, Catechumenate teaches children about the traditions of their Catholic faith in a way that's relevant to where they are in their own lives. The lessons begin with the RCIA process and rites and continue to cover our salvation history, each of the seven sacraments, Church history, the dignity of life, social justice, and moral living. Children learn at their own pace. They learn by asking questions and by doing. That's why we've combined the lessons with a variety of engaging activities to appeal to a variety of learners in a way that's flexible enough for you to modify to your unique needs. Each lesson also includes a colorful animated drawing and ongoing story that captures children's attention and enables them to see their own faith journey mirrored in the adventures of Mrs. Evans's fictional RCIA class. The comprehensive Leader Guide gives you everything you need to walk into your RCIA class and start leading--whether you're a veteran RCIA instructor or a first-time volunteer. Additional discussion points prepare you for their responses and keep the conversation going. The contemporary wraparound design enables you to see what the children see so you can spend more time teaching and growing in faith alongside your group.
