Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Another story sparkling with wit and humor from New York Times bestselling author Mercedes Lackey. Traditionally, marauding dragons are soothed only by a virgin sacrifice. And so practical-minded Princess Andromeda with the encouragement of her mother's court reluctantly volunteers to do her duty, asking only for a sword to defend herself. Well, her offer is accepted, but the weapon isn't forthcoming, and so Andromeda faces the dragon alone. Until a Champion arrives to save her sort of. Sir George doesn't quite defeat the dragon, but as Andromeda finishes rescuing herself she discovers that beneath the Good Knight's well-meaning though inexperienced heroics lies a further tale. Still, Andromeda can't leave her seacoast country in further jeopardy from the dragon's return, and so she and her George join to search for the dragon's lair. But even especially in the Five Hundred Kingdoms, bucking with Tradition isn't easy. It takes the strongest of wills, more than a hint of stubbornness, quick thinking and a refusal to give up, no matter what happens along the way. Somehow, though, none of this was taught in princess school.
