

## Computer Science and It: Investigating a Cyber Attack (Paperback)

By Anne Rooney

Heinemann Educational Books, 2013. Paperback. Condition: New. Language: English . Brand New Book. When Ben discovers that his Facebook page has been changed, he is worried. Then someone sends emails from his account! Have his personal and work files been hacked? This book looks at the topics of computer science and information and communications technology to explain how Ben's laptop and his company's network have been compromised, and how the systems administrator, network manager, and police investigators can track down the person carrying out the cyber attack.
