Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Are you certain what's afflicting you isn't a rare disease? On the other hand, are you certain that this common, trivial ailment you have has not gone rare in this century? Moreover, are you sure that no one in your family is suffering from an uncommon syndrome? These are the three questions you must honestly answer for yourself. From the fairy tales of our childhood days, we have remained enthralled and alarmed with unknown and new stuff. May it be food items, appliances or gadgets, we are always on the lookout for novelty. Sadly, afflictions are no exceptions. In fact, we can hardly keep a record of the conditions and germs rampant in the 21st century! And compared to other innovative things, ailments do not disappear fast from the annals short of seizing human lives by the thousand with it. When you think of the feelings, sacrifices, besides per chance, qualms of the surviving kinfolks, no words can describe such an experience. Would you rather distinguish what is happening to your loved ones? Or else, do you desire to change into an ostrich with its head in the sand with the hope that the dilemma simply disappears? Discerning a specific condition, its causes, complications, risk factors, management and possible cure can ease that. What if, feeling you may feel. If your ailment is among the featured rare diseases in this book, you will gain further insight on it. This will assist you and your loved one the uncertain feeling of handling the situation. This book may not make you happy, but it can surely assist you to face the battle squarely and with more preparation. In addition, this book may not make you any richer in terms of money,...
