SEX A Modern Sex Guide to Pleasuring your Partner When one thinks of sex, it is probably fairly safe to say that it is one of the most favorite pastimes of just about anyone with a pulse. Sex, and any term referring to it as well as human anatomy pertaining to sex, has changed drastically over the past fifty years. Modern day research shows happy couples and their longevity stems from being able to keep each other sexually satiated. Sex: A Modern Guide to Pleasuring your Partner is an exciting guide to bringing some serious heat into the bedroom (and other places). Each chapter gives the reader titillating new ideas on unique ways to please their partner. This book covers everything from pleasure points to sex positions designed to make your partner purr. If you ever wondered what it might be like to try something outside the box or even your comfort zone, this book is going to cover that too. Whether you and your partner want to engage in role play or Tantric sex, there are chapters designated specifically to those steamy topics. If it is something you might have never considered, or are worried about just how you will be able to bring it up, there is nothing to worry about. We will provide you with tips and tricks for approaching the subject of spicing up the bedroom with your partner. In addition to finding ways to bring up these sometimes difficult topics, we are going to provide you with scenarios for role play in the bedroom, which can be tough to come up with if it is something you have never tried before. Everything discussed is...
