Delightful chaos ensues when a small monkey, who is learning to read, ends up holding a wizard's magical spell book. This laugh-out-loud debut picture book from award-winning entertainer, Karl Jeffery, will have children wanting to read it over and over again. A monkey accidentally discovers a wizard's spell book. He doesn't believe in magic, but then he reads one of the spells. The excitement he feels from turning rocks into gold inspires him to try another. With the best spells in the world at his fingertips, the monkey is not sure which one to choose next. Will he try to become invisible, rich, or to turn his mum into a frog? As the fun and magical mischief spirals out of control, can the monkey avoid being put in the naughty chair? And can he stop the world from turning into a giant snowball? \*FREE BONUS EXTRAS\* FREE Audio Book + FREE Colouring book To give you even more value for money, a special web address at the end of this book will allow you to download a FREE...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
