Preface The purpose of this bulletin is to set forth briefly the

requirements of the Department of Public Works and Buildings,

in the construction of various types of roads. It must be

understood that all preliminary work in the location of right-

of-way, surveys, plans and specifications, regardless of the

time or talent employed in the preparation of the work, may be

useless if the construction is not intelligently and fairly

executed. During the next ten years it is estimated that one

hundred million dollars will be spent for road improvement in

Illinois. It is very important, therefore, that all work be done in

accordance with approved principles and...
